- In vecent weeks nine trains, ear comprising 25 to 40 cars of which only a fraction were flat: ra (Plateauwagen), have been placed at the disposal of the Schots. On 10 July 1950 one transport left Walkaprodersdorf for Fovery. Austrian railread men accompanied this transport as fr at the Hungarian border. On 11 July a transport left Ober-Lois orf, n 12 July one left Mattersburg, and on 14 July one depart d from tinkafeld and another from Observant. Residents of Rungenland report, however, that many Russians have been withdrawn from this sing. They say these trains are troop trains rather than freight transports.
- 2. At the present time the Soviet: have abut 20 tanks in St. Poelten. In previous weeks the tanks were in Sprizern: this week they are in garages which have a capacity of abo. 25 tanks. It is estimated that one half of these re light and the resounder are heavy tanks. There are no large "Stalin" terks in St. Poerton. It is reported that the Soviots use these tend in groups of live or less when 25X1A carrying out field managers.

According to an Austrian railread man we travels between Vienna and Budapest, an unusual rambo of tanks and other Seviat war material have been observed along the Hugarian section of this railroad line in the wast lev days.
